

# IRRIGATION SHOWCASE

# EIMA IDROTECH

## TECHNOLOGICAL SOLUTIONS FOR WATER MANAGEMENT

The ever-growing need for water in agriculture and the climate crisis make advanced technologies for water management increasingly necessary. EIMA Idrotech is the specialised showcase for these technologies, a **world leader** in terms of product quality and breadth of range

# EIMA THE INNOVATION FACTORY

**BOLOGNA (I),  
FROM 6 TO 10  
NOVEMBER 2024**
